Subject: ISES-ISEE 2018 Reminder - Chairing Monday Sessions
Attachments: MondayProgram.xlsx

Dear Colleagues,
Attached you will find the current program for Monday's sessions. I've included the details of the talks so you have all that info in one place. Please search for your name in the highlighted column and check one more time for conflicts. Please note that the program will likely change due to travel issues so refer to the meeting app on the day of. You should download the meeting app ahead of time if you haven't already. Search for your name under Presenters, select Show Sessions, then under Mon 27 August program, you will see your session listed. You can find the Room number and presenters info by selecting the session, and selecting each presentation will bring up the full author list, affiliations and abstract. In an effort to go green, we will not have printed programs available in the rooms, so please be prepared with either the app or your computer. You can find Monday's online program here https://www.eiseverywhere.com/ehome/294696/638645/?&t=8c531cecd4bb0a5efc6a0045f5bec0c3. The abstract book is also available to download and includes an author list at the end https://isesisee2018.org/program/abstract-book/. Lastly, please review the chair guidelines https://isesisee2018.org/wp-content/uploads/2018/07/ISES-ISEE-2018-Chair-guidelines.pdf. Thank you again for your support of the conference.
Safe travels,
Veronica
