Mariana, FL 32446

Gentlemen:

Our company is in the process of expanding and we are looking for new and valued customers. We buy automotive batteries, telephone batteries and steel casings.

If your company handles any of the products we purchase, you can contact us at (904) 526-5759 (800) 367-1371 and we can answer any questions you may have.

If you are interested in doing business with us we would appreciate hearing from you as soon as possible. We can better quote purchase prices if we know what products and in what quantities you have to sell. Thank you for your cooperation.

Cordially,

Charles Guyton
Manager
