ECHO Navigation Guide

ECHO
echo.epa.gov

- Search for facilities by media program – with a focus on Clean Air Act (CAA), Clean Water Act (CWA), Resource Conservation and Recovery Act (RCRA), and Safe Drinking Water Act (SDWA)
- Find a facility by name or ID
- Filter results by:
  - Location
  - Facility or system characteristics
  - Enforcement and compliance activity
  - Pollutant
- View facilities on a map, data table, or both
- Facility reports display 3 years of violation data and 5 years of compliance monitoring and enforcement data

- Search for EPA enforcement cases under any environmental statute
- Locate cases by case or docket number, environmental statute, date, company name, or facility locations
- View case status, milestones, penalties, and Supplemental Environmental Projects (SEPs)

- View 5-10 minute video training tutorials
- View ECHO webinars
- Access detailed documentation to better understand what you see

- Learn about data available in ECHO and weekly data refreshes
- Read ECHO Frequently Asked Questions
- Review the ECHO Tool Guide

- Download national data sets
- Data sets generally include 15+ years of compliance monitoring and enforcement data
