Yes. OLEM got back and had no comments on that one, but OW has not yet responded. I know the Admin briefing is Thursday, but do you have a sense of timing for the actual release? I can use that to nag OW some more.

Hey Kelly and Sam,
One more question for you guys– there is a question at the bottom of the Q&A which is flagged for OW and OLEM input.

Are you still waiting on that input?

Thanks!
Emily

Here's the updated comms plan and press release. I also accepted Lou's edits in the fact sheets and changed the file name to yesterday (when he sent them) for better version control.

Hey Kelly,
Can you send me the final PFBS toxicity assessment comms plan? I have the press release and fact sheets separately, but it'd be great if I could have the final version of the whole comms plan.

Thanks!
