Hi Ian,

No worries, we understand and know you have a long trip back.

Would it be possible to set up a call for later next week? We are interested in hearing your thoughts on all this and can provide more details.

Please let me know if there are any days/times that work for you.

Thanks,
Stephanie

Subject: Newtown Creek Early Action

Hi Stephanie,

I apologize for the DEC team leaving before the return of the NCG's side-bar. It appeared that there would be no significant resolution to issues being raised during the meeting so I felt there was little that we could contribute to a path forward.

Our thanks for being invited and I would appreciate the opportunity to impress DECs interest in any early action discussions in the near future.

Please provide notes or action items from the meeting so that NYS can adequately reply and provide input on the NCG's early action proposal.

Thank you.
