20150606_Final Signed Work Plan and Cvr Ltr.pdf

All –

Attached please find an electronic copy of the Work Plan required by Item 18 of the Order for Removal, Mitigation or Prevention of a Substantial Threat of Oil Discharge ("Order"). Hard copies of this Work Plan and its referenced attachments (on a CD) were hand delivered to the persons listed under Item 20 (or their representatives) at the Incident Command Center this morning. The attached file contains the transmitting cover letter and the Work Plan, but not the referenced attachments due to their volume.

Please let me know if you have any questions or concerns about the attached.
