Thanks Katie, I actually forgot among all the calls today. Arthur if you can join Zach – that would be great and very helpful from the industry perspective. They are going to Woodinville – via Bellevue. Let Zach know if he should wait…

Arthur –

I am not sure if Rhonda emailed you but she was interested in you going along with us on our inspection of Spectrum tomorrow. I will be meeting at the facility, but Zach Hedgpeth, Katie Owens, and the PSCAA permit writer Brian Renniger are leaving from the EPA office tomorrow around 8:30 am. If you want to go with them, please try to get a hold of them. If you can't reach them at their desks, Zach's personal cell is Ex. 6 - Personal Privacy
