FORMER OWNERS/OPERATORS/HAZARDOUS WASTES

This property was purchased on the 11th day of June 1941 by Bendix Aviation Ltd. (now called Allied-Signal Aerospace Electrodynamics Division.)

It was purchased from the Lankershim Ranch Land and Water Co. This company was managed by Doria C. Lankershim and John L. Lankershim.

A living witness states that half of the land was in gardens and the other half was empty fields.

This is all of the information I can find about former owners.

RESPONSE TO INSURANCE COVERAGE:

Allied-Signal has sufficient assets to cover any liability it may have in this matter.

Allied-Signal also has numerous insurance policies that provide coverage for environmental liabilities on the majority of those policies.

Dear Madam:

Enclosed is the information requested for your investigation of the San Fernando Valley Superfund Site.

All information with the exception of number eight has been forwarded to the Agency.

A diligent record search has been completed. Present and former employees who may have knowledge of operations, chemical use, and business practices have been interviewed.

Sincerely,

K. W. Chmiel
Vice-President and General Manager

All of the existing soil samples were forwarded to your office in the original answer. This included tanks 2,3,4, and 5. Data on tanks 8,11, and 13 were also included.

- Tank #1 was a septic tank. (No soil samples were taken.)
- Tank #6 is an open concrete pit with a steel liner in use for collecting hydraulic oil. (No soil samples taken.)
- Tank #7 is an open top concrete clarifier. It is not in use. (No soil samples were taken.)
- Tank #10 is an open top concrete clarifier. It is not in use. (No soil samples were taken.)
- Tank #9 is an open top concrete clarifier. It is permitted and in use. (No soil samples were taken.)
