I understand that. I think the plan would be to send to me and I'll put in tonights updates that they will be coming. Thanks.

Katie

I will. I intended to "reply all" in this case as I thought everyone should know that more SAP's may be coming as an addendum to your update.

Katie,

Just to confirm – there is no SAP for Uroboros yet but Chris Moore at DEQ is developing one and will share it with us as soon as it's complete. He has committed to sharing others as they are developed.
