Date		Initials
9/28/99	CUPA Inspection: Facility is not a HW generator. They pick up PERC waste from dry-cleaning ops. A truck is scheduled every Tues. or Thurs. to pick up the ~~amount~~ PERC regardless of amount. In no case do they exceed 10 days per John Yi. At inspection time, they had 4 x 55 gal drums recycled PERC, no waste, + many empties. Facility was in compliance w/ PERC permit conditions + no HW violations	JBZ
