FYI. This effort is coming to a close. Apparently some of the latest edits are from "manangement". I'll ask Bruce to team as this wraps up.

Subject: Flow Workgroup: Flow White Paper- almost there

Hello Flow Workgroup,
Most of you have responded on whether or not you can make this coming meeting on Friday. Thanks! If you haven't yet, please do. This will be one of our last meetings.
Attached is the most current version of the document. Our management suggested some rather important organizational changes, which we will discuss on Friday so please take a moment to look through it. Also attached is the agenda. Please use it to guide you as you go through the document. This will help us make the most of the short hour we have Friday.
Thanks so much for all your contributions and time over these many months!
Best,
Rachael
PS- If you can't make it and would like to discuss your impressions of the document, please feel free to contact me: 202.566.2385.
