Amended 5308 Req. for Info

SUMMARY

Inquired w/ HR why 'western road' feature as illustrated in Ex #I for 7/13 Amended Request for Info. was not addressed.

HR stated he thought we were only interested in other areas

I informed HR that areas of interest were defined in Ex #I and included 'western road' feature

HR stated N-S area (or 'western road' feature) was an emergency flight path. Fill placed to suppress vegetation.

Site access

SUMMARY

Mr Roder is refusing access to COE ordnance people to go on site & clear areas to allow soil/vegetal hydrology sampling.

He stated he wouldn't accept liability in allowing COE ordnance personnel on-site to clear areas for sampling.

HR also added they had GPSed locations on-site & found them 3 feet above Lk. Erie levels.
