Stephanie and Jennifer:

I hope you both had a good holiday.

Can you provide a status on the following:

- Region 2's BERA Response
- Region 2's RM 10.9 revised locations - CPG would also like to get final approval of the QAPP before next week's field work
- COPC Meeting Dates
- Proposed Language Review of revised BHHRA text

Please let me know at your earliest opportunity.

Thanks
