Hi Cassandra,
Thanks for sending out meeting notes and the agenda for tomorrow's meeting. I reviewed the meeting notes from 11/8/11 and I have some suggested changes. The ones I feel are most important are relevant to the discussion of the proposed BDCP CWA 404/RHA 10 permitting approach. I just want it to be clear that a lot of the notes in that section are from Marc's explanation of the approach not that there was agreement on the approach. It was a walk through the approach with some short discussion and questions afterward.
