Hi All,

I just received the most recent Delta e-news letter, and you all may be more on top of this than I, but I saw that the BDCP will be having scoping meetings in the next few months. I wasn't aware a NEPA NOI had been published. It seems that this EIS will address portions of the CWA that are covered by various offices in Water Divsion and it might be a good time to identify an interoffice team (if that hasn't already been done) that would work with ERO. Laura, I'm not sure if you would be the one to review BDCP, so let us know the correct person in ERO if it isn't you.

I checked the BDCP website (http://www.water.ca.gov/deltainit/bdcp.cfm) and see that there is a NOP (http://www.water.ca.gov/deltainit/docs/bdcp_nop.pdf) published for CEQA but don't see an NOI. The scoping meeting schedule is here http://www.water.ca.gov/deltainit/docs/09-ScopingMeetings.pdf. Proposed NEPA/CEQA Schedule is here http://www.water.ca.gov/deltainit/docs/schedule_timeline.pdf

I cc'd the folks that I know work on the Delta in Water Division but if I missed someone forward to whomever you feel is appropriate.

Erin
