Subject: Follow-up from meeting with Jerry Meral and Bay-Delta delegation

All,

Thanks to all who were able to join us for our interagency meeting with Jerry Meral and the Bay-Delta delegation. As a follow up, I wanted to pass along three documents that were mentioned during the discussion:

- A September 30 letter from the NGO community to Secretary Laird and Deputy Secretary Hayes expressing concerns with the current BDCP process.

- A performance assessment drafted by the same group of NGOs.

- An October 3 letter from Secretary Laird and Deputy Secretary Hayes to the NGO community outlining changes to the BDCP process and comments in response to specific suggestions (NOTE: this letter does not directly respond to the 9/30 letter).

For those who were unable to attend today, we will plan on providing a recap at our check-in on Wednesday.

Thanks,

Scott
