Subject: OW Fire drill due to NWoo by November 2, Wednesday
R9 Water Division Key Issues.doc

OW is updating their briefing book in anticipation of the arrival of the new AA for Water, Ken Kopocis. We were given a very short turn around time to update a number of briefing papers. The R9 Water Division Key issues dated February 2010 needs to be update. In the file below, I have added comments on what needs to be updated or added. Please modify your portion and send to me by 11/2 Wednesday cob or earlier if possible. Call me if you have questions.

Thanks,
nw
