Hi Michele,

Just left you a message. What time today can we schedule the phone call?

Liz

Hi Liz,

I'm very sorry but schedules have shifted and tomorrow at 3 PM won't work after all. Are you available next Wednesday, perhaps sometime between 2 – 4 pm?

Thank you,

Michele

Hi Michele,

Yes – the only time I have is Wednesday between 3p and 4p. Does that work?

Hi Liz,

Some scheduling challenges have come up on this end, so I wanted to check and see if it might be possible for us to please switch our call to later on Wednesday (sometime between 2 – 4 pm) or move it to Thursday (sometime between 10:30-11:30 or 2-3 pm)?

Thank you,

Michele

Hi Liz,

Yes, we can set up a time for you to chat on background with Lily Lee. Could we please push it back to Wednesday? She is currently pretty available between 9:30 and 4 that day.

Thanks,

Michele

Michele,

We have questions about what cleanup standards the EPA is using for superfund sites like Hunters Point. We will ultimately be requesting an interview but thought it would be helpful to have a phone call first.

Thanks,

Liz

Hi Liz ~

Sure. I wanted to check first and see if you can please give a little more detail about the types of questions you'd like to cover? And is this on background or on-the-record?

Thanks,

Michele

HI Michele,

Can you help us set up a phone call with Lily Lee, EPA's cleanup manager for Hunters Point?

As you may know, NBC Bay Area has done a series of reports into the cleanup of the Hunters Point Shipyard. We have some questions about EPA superfund cleanup guidelines for Ms. Lee. I can make myself available anytime today, or next Monday and Tuesday for a quick call.

Thank you,

Liz Wagner

Subject: NBC BAY AREA NEWS - FOIA REQUEST FOR EPA EMAILS - MAY 20, 2016

Michele,

Please see the following FOIA request below.

Thank you,

Liz Wagner

Pursuant to the Freedom of Information Act, this is a request for the following records maintained by the EPA:

- **All emails, email chains and attachments between the EPA and the Navy regarding University of California at Santa Cruz's presentation at the Hunters Point community meeting on April 21, 2016. Dates include March 1, 2015 to the date this FOIA is processed.**

- **All emails, email chains and attachments between the EPA and anyone from the University of California at Santa Cruz regarding the University of California at Santa Cruz's presentation at the Hunters Point community meeting on April 21, 2016. Dates include March 1, 2015 to the date this FOIA is processed.**

I promise to pay reasonable search and duplication fees in connection with this request. However, if you estimate that the total fee will exceed $100, please notify me so I may authorize the expenditure of a greater amount.

As you know, the FOIA provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all non-exempt portions of the records, which I have requested, and ask that you justify any deletions by reference to specific exemptions. I reserve the right to appeal your decisions to withhold any materials.

I am making this request in my capacity as a journalist. Realizing this information is of timely value, I would appreciate your communication with me by telephone (Direct: 408-483-2084) or email (elizabeth.wagner@nbcuni.com). If you have any questions regarding this request please do not hesitate to contact me. I look forward to hearing from you within the time guidelines set up in the FOIA.

Best,

Liz Wagner
