Burr,

Fantastic news.

We still have not seen the signed document. We would like to get it into our signature routing ASAP.

When do you think it will come to us electronically?

Steve

Steve, we've hit a small roadbump with the DLA signature. Some concerns over wording, which we believe are minor. Hope to resolve Monday.

Subject: Request Status Update - Red Hill AOC

Gentlemen,

We had heard that DLA would likely sign the AOC by COB today. We are hoping to get a status update so we can prepare for the rollout of the agreement (e.g. Press release, calls to elected officials). We are hoping we are still on track to get the Navy and DLA signed documents by COB today because we are hoping to have the agreement in place before the end of the fiscal year.

Thank you
