All,

Forwarding DLA/Navy Signed AOC file. This supersedes the transmittal I sent on Thursday, May 28, 2015 4:26 PM.

I also left attached the transmittal letter and final SOW sent by Mr. Yamada via e-mail in chain below.

Congratulations to the collective team on achieving this significant milestone.

V/R,

- Jimmy / Navy and DLA Project Coordinator

Importance: High

Aloha Captain Tufts,

I am transmitting the signed EPA/DOH transmittal letter and its attached enclosures (AOC and SOW) to share with Admiral Fuller, Dr. Renee Roman, and the Navy/DLA team. Please forward this email to anyone that I may have inadvertently missed.

Have a great day!

Stuart

Subject: Revised SOW Signed Cover Letter with AOC and SOW

Hi Stuart, attached is the Cover Letter signed by Jeff Scott and revised SOW with AOC.

Please have Keith sign and date as soon as possible. If you can today, please email to Capt. Tufts and the Navy and DLA team, copying the team here at EPA and include Cover Letter, SOW and AOC.

If you are unable to get to this today, we hope to get this out on Monday with both signatures on the Cover Letter along with SOW and AOC.

Thanks for your help. Have a good weekend.
