Calling me and putting the phone on speaker sounds good. I'm cc'ing Bob and leave it to you guys to figure out who will call.

What time will you be doing your presentation so I can put it in my calendar?

Rebekah,

I don't think there will be a phone in the room, but I have been told there should be cell service in the building, I will be happy to call you from my cell if I have service or one of your clients could call you and put a phone near me. My speaker phone sound quality isn't good, so it might be better to plan on use of one of your client's phones if possible.

Rebekah/Wade,

CAPT Tufts requested that I provide a short 5-10 minute intro brief explaining procurement integrity act/critical infrastructure & document marking prior to the scoping meeting breakouts. He got a green light from your clients, just checking to make sure that they bounced it off of you and that you are ok with it. I will be leaving after the quick brief and will not be participating in the actual scoping meetings.

Project Coordinators,

Please check with your counsel if the following is okay.

At the kick-off we'd like to have our counsel (Steve Daugherty) provide a friendly reminder to people about what the NDA is about and answer any specific questions that anyone may have - we think he is best for him to brief and I envision about 10 minutes.

We can also make a statement that if there's a question you'd like to discuss further, please raise to your counsel for further discussion with our counsel.

V/R,

- Jimmy/
