Subject: FW: Red Hill Scoping Kick-Off - Navy Counsel Brief

Rebekah/Wade,

CAPT Tufts requested that I provide a short 5-10 minute intro brief explaining procurement integrity act/critical infrastructure & document marking prior to the scoping meeting breakouts. He got a green light from your clients, just checking to make sure that they bounced it off of you and that you are ok with it. I will be leaving after the quick brief and will not be participating in the actual scoping meetings.

v/r,

Steven Daugherty
Associate Counsel, NAVFAC PAC

Project Coordinators,

Please check with your counsel if the following is okay.

At the kick-off we'd like to have our counsel (Steve Daugherty) provide a friendly reminder to people about what the NDA is about and answer any specific questions that anyone may have - we think he is

best for him to brief and I envision about 10 minutes.

We can also make a statement that if there's a question you'd like to discuss further, please raise to your counsel for further discussion with our counsel.

V/R,

- Jimmy/
