
Explanation

StudyArea Boundary

28 Section Number

Area with no known water supply wells

A — A' Cross Section Location

ProposedAquifer Exemption Boundary

Distribution of water supply wells by quarter-section, Colors indicate known aquifer source(s):

Groundwater SourceAquifer* and Number of Wells

- AlluvialAquifer
- Paso Robles FormationAquifers
- Pismo FormationAquifers
- Monterey FormationAquifers

*Groundwater SourceAquifer for wells determined by DWR well logs and interpreted surface geology
