Hi John,

Thanks for the voice mail message about your call with SB/RB 5 yesterday. I think it's great you are planning a face to face meeting in Sacramento in a couple of weeks with the SB/RB5, and that would be an excellent opportunity for all 3 of our agencies to get together and go over the aquifer exemption status, key issues, and discuss a path forward. If that sounds okay, let's coordinate on timing of that meeting. Thanks, David
