David,

Not sure if you ever saw this, so just in case, here it is.

We are meeting at the FMOC office at 10 am tomorrow. I plan to show just a few slides with a timeline of things we know right now, the process for preparing, reviewing and approving an exemption and a list of the projects that we have visibility to right now.

See you tomorrow.

Bill

All-

You are invited to attend a meeting with EPA Region 9, DOGGR and the State Water Board in Bakersfield on July 7th to discuss Aquifer Exemptions. Those in attendance will include:

David Albright- EPA Region 9
Ken Harris- DOGGR
Jonathan Bishop- State Water Board

In order to keep the conversations smaller and more productive we are splitting the meeting into 2 groups/segments (see below). The groupings below are an attempt to ensure those with joint applications are in the same meeting. Some of you have several joint applications so you may find your company listed in both. If you would like to switch your meeting time or sit in on both, please let me know. We ask that each company limit their representation to 2 or less to keep the meetings smaller.
