Subject: UIC/Aquifer Exemptions at State Directors meeting

Hi Corine,

I've meant to discuss this with you, and our schedules always seem to be at odds. Anyway, I spoke to Michele and she is amenable to doing the session but does not want to blow an entire day for this one brief talk. I have two thoughts about options. One is to see if there is a possibility of Michele presenting remotely via webinar or Adobe Connect. That would allow her to present without requiring all the travel to and from Sac. The second option would be to have Mike deliver the presentation on UIC/Aquifer Exemptions. He is certainly quite up to date on what is happening, and the only question would be whether he was planning to be present at the time slot you identified. I hope that one of these options will work. If you prefer the latter option, let me know and I will talk to Mike. Thanks, David
