TO WHOM IT MY CONCERN:

FOR THE LAST FEW WEEKS I HAVE BEEN OBSERVING BLACK TEA HAULING SALT WATER FROM THE WATER TANKS & FRAC TANKS AT THEIR TANK BATTERIES TO OPEN RESERVE PITS ON THEIR LEASES NORTH OF THE SMOKEY RIVER ON HI-WAY 83 AND QUICK DUMPING INTO IT.

I AM NOT TO CAUGHT UP ON THE RULES AND REGULATIONS BY I WOULD SAY THIS IS ILLEGAL.

I OBSERVED THEM DOING IT SUNDAY AFTERNOON AGAIN. THIS TIME WOULD BE THE RESERVE ON THE EAST SIDE OF HI-WAY 83.

FROM THE FAR NORTH TANK BATTERY ON THE EAST SIDE, IT WOULD BE SOUTHEAST OF THEIR WITHING THERE IS A SET OF 100 THAT HAVE BEEN DRILLED.

I AM SURE ALL THE OTHER RESERVES THEY ARE DUMPING.

LOOKS LIKE SEVERAL COMPANIES HAULING BUT ONE THAT BRING TO MINE IS K.P.L
