SUBJECT LDEQ Press Release concerning Asbestos in Driveways in New Orleans Suburbs.

SUMMARY OF COMMUNICATION

LDEQ has determined that numerous residential driveways contain asbestos. This material originated as a waste material at the Johns-Manville plant in Marrero, La. Analyses reveal 5-50% asbestos.

Mount's contact reported that this material may have been used in road beds also.

CONCLUSIONS, ACTION TAKEN OR REQUIRED

Mount will forward a copy of the press release when he receives it.
