That's good. Vince is the one who is likely to be there tomorrow.

Mike,

Sorry I missed your earlier IM!

Yes, I shared our Dec. 22 Class II UIC letter to the state with Rep. Kevin McCarthy's office. No reply from his office that I know of – just an out of office holiday message on Dec. 23. Let me know if you need anything else.

Dear Colleagues,

Attached for your information is an EPA Region 9 letter to the California Water Resources Control Board and Department of Conservation, Division of Oil, Gas and Geothermal Resources, regarding the State's administration of the federal Safe Drinking Water Act Class II Oil and Gas Underground Injection Control program. If you have questions or need any additional information, please give me a call. In addition, if you are interested, we will be glad to arrange a follow-up call for your office with our program staff and management. Thank you.

Regards,

Suzanne Skadowski
