I'll make it work also. It would be good for Michele to attend, but I checked and she is out of town (as are many smart people the Friday before a 3-day weekend!).

Argh! This is not very convenient for me but I am trying to rearrange my schedule to attend. A little more notice would have been good….

Sorry, I forgot that part. 9 am to 11 as the RB 5 folks were already going to be in Sacramento for other meetings with the State Water Board.

Yes, we would like EPA to participate in the meeting we have scheduled on May 23 in Sacramento at DOGGR with the State Water Board and Regional Board 5.

Thank you,

Hi John,

Thanks for the voice mail message about your call with SB/RB 5 yesterday. I think it's great you are planning a face to face meeting in Sacramento in a couple of weeks with the SB/RB5,

and that would be an excellent opportunity for all 3 of our agencies to get together and go over the aquifer exemption status, key issues, and discuss a path forward. If that sounds okay, let's coordinate on timing of that meeting. Thanks, David
