Temporarily, Eric Morita is taking over the aquifer exemption work and Tina Bauer is taking over the UIC work. They will post the job position soon and hope to fill it immediately. Otherwise, Janice is the main contact for everything oil and gas related.

Yes, I heard you there. I am glad Matt Keeling attended. Who will be you when you leave?

Thanks! It's been a pleasure to work with you and maybe I will run into you again in the future.

No problem. Ben and I sat in on it anyway.

Ok, thanks, good luck! This is for Arroyo Grande in the Coastal DOGGR district. They had not included water board on their initial request so I took a guess. I don't know who really does need to attend and John B is out.

Christine, Aaron, Michael, and John,

Please join this call tomorrow morning to discuss DOGGR's response to EPA's April 17 comment letter on the Arroyo Grande AE package, if possible. DOGGR may have already invited you, but I am also inviting you. Thanks, Michele
