MR. SHULTZ TOLD ME ON THE PHONE ON ABOUT 9-6-06 THAT THERE IS NOT A AIR EMISSIONS CONTINOUS MONITORING STATION WITHIN A HALF MILE OF STERLING CHEMICAL INC. THE CLOSEST AIR MONITORING STATION WAS OVER A MILE AWAY FROM STERLING CHEMICAL INC'S FRONT GATE AND WOULD NOT PROVIDE ANY DATA FOR EXPOSURE TO THE AFFECTED PERSONS UPWIND TO THE NORTH OF STERLING CHEMICALS INC. AIR EMISSIONS DURING THE MONTHS FROM MARCH THRU OCTOBER THE MONTHS OF EXPOSURE TO THE AFFECTED PERSONS IN THE COMMUNITY. THERE FORE THIS DENYS US THE IMPORTANT DATA AND INFORMATION OF BEING EXPOSED TO SUCH CARCENOGINS AND VIOLATIONS FROM STERLING CHEMICAL INC. AIR EMISSIONS RECORDS.

WE THE AFFECTED PERSONS HAVE BEEN DISCRIMINATED AGAINST BY NOT HAVING THESE AIR MONITORING STATIONS INSTALLED WITHIN OUR COMMUNITY WITHIN ONE HALF MILE, OR A REASONABLE DISTANCE NORTHWEST OF STERLING CHEMICALS INC. FRONT GATE TO PROVIDE US WITH BOTH EQUAL AND NECESSARY MONITORING OF AIR POLLUTION AND AIR EMISSIONS FROM STERLING CHEMICALS INC. THAT EFFECTS OUR HEALTH, LIFE AND RIGHT TO LIFE, TO LIVE FROM EITHER THE STATE LEVEL TEXAS COMMISSION ON ENVIRONMENTAL QUALITY OR THE COUNTY LEVEL GALVESTON COUNTY HEALTH DISTRICT AIR POLLUTION CONTROL DIVISION OR BOTH.

I SPOKE WITH THE TEXAS COMMISSION ON ENVIRONMENTAL QUALITY AND ASKED FOR THE LAST FIVE YEARS OF AIR EMISSIONS SAMPLES ANALISIS ON STERLING CHEMICALS INC. AFTER BEING REFERRED TO T.C.E.Q. FROM THE GALVESTON COUNTY HEALTH DISTRICT ENVIRONMENTAL INVESTIGATOR

MR. CARMICHEAL TOLD ME ON THE PHONE THAT IT WAS VERY LITTLE AIR MONITORING EMISSIONS TESTING SAMPLES DONE ON STERLING CHEMICALS INC. OVER THE LAST FIVE YEARS. HE MAILED ME WHAT HE HAD. I LATER CALLED HIM ON ABOUT 9-6-06 AND ASKED FOR AIR EMISSIONS SAMPLES DATA FOR THE LAST (15) FIFTEEN YEARS ON STERLING CHEMICALS INC. MR. CARMICHAEL TOLD ME ON THE PHONE THAT HE HAS WORKED IN HIS POSITION SINCE 1990 AND THAT HE DID NOT RECALL ANY MORE DATA FROM 1990 THROUGH THE PRESENT BUT THE ONE YEAR DATA, THAT HE MAILED ME FOR ONLY ONE DAY OF TESTING FOR THAT YEAR, BUT HE WOULD MAIL INFORMATION TO ME IF HE FOUND ANY MORE DATA.
