Subject: Meeting with Peter Grevatt

Peter Grevatt, Director of the Office of Ground Water and Drinking Water at HQs, will be in the office on Wed/Thurs this week. One of the topics he asked to talk with us about is the CA UIC and aquifer exemption situation. We are scheduled to meet with him Thursday morning from 8-9:45am in room 15141. Please join us if you are interested/available. Thanks, David
