+ Bill, FYI

Great. Thanks so much for the quick turnaround, Cheryl! As we discussed, please print out 200 color copies and leave on the chair next to my desk for Jason to pick-up before he leaves today at 4:00 p.m.

Romie: Please use this version for translation. Please run by Yarissa for a second review.

All: Romie will shoot to have the translation nailed down today, if not, early tomorrow.

Cheryl: Romie will resend the final Spanish text to the group. Please prioritize layout of the Spanish language text and send to the group.

Romie: Once Cheryl resends to the group, please print out 200 color copies for you to bring on your outreach with Yarissa.

Thanks, everyone, for the quick turnaround!

+Steven and Dana, FYI

Jason will be taking copies of the fact sheet when he leaves the office today at 4:00 p.m.

Please provide final comments by 3:00 p.m. so Cheryl will have enough time to run-off copies before Jason takes off for the day.

Romie and Yarissa: Jason will be contacting you directly about door-to-door outreach this week, starting with Yarissa on her availability and then Romie as needed.

Thanks, everyone!

Hi David,

Nahal and I had sent some comments earlier. Don't think they were incorporated in this draft.
