Mahler, Tom (mahler.tom@epa.gov) has invited you to view his or her "Bridgeton Dust Coverage" Calendar. For instructions on how to view shared folders on Microsoft Exchange, see the following article:

Those of you planning to participate next week for the sampling in Bridgeton, please update your schedules here.

I am trying to make sure we maintain 8 people for each day and I am very close. Before I keep trying to find more people I want to hear back from this group.

I have also shared this calendar with management.

Thanks for your help,

Tom
