Perchlorate Meeting w/ Catherine 3/13/01 9:40 A.M. 161946

SFUND RECORDS CTR
161946

can give people some kind of update? / what's going on now?

① - call contacts. introduce determination correct people. housekeeping. ask Kevin - here's where we're at.

- community =
  ① stakeholders.
  ② interested parties
  ③ general public.

waiting info. DOD.

② mailing list - ask Kev. Everybody who came to forums. Had given Anita lists (hard copy)

- When peer review happens - will need to do mailing? Sacramento.

cheat sheet - stakeholders, 15 states.

Rachel & I - give ~~stakeholders~~ partner agencies word on what's going on, who to call.
info. center, pick resource for others in region.

Wrote web update. before I leave.

When calls - doing updates.

peer review will attract media.

IPSC has nothing to do w/ PRP (NOTE)

Keep separated.
" distinction.

3

?s

- web page? — ask who will review? who else will review & comment? how will it happen? agree up front who will review
- meeting involvement?
- info packets — fact sheet, powerpoint pres. web site update
- calls to IPSC. steering committee or all?
- update mail ~~page~~ list.

Fact sheets ~~sheet~~ set up process for decisions
ORC review
