RE: Saad Trousdale Road Site
Nashville, Tennessee

Dear Drew:

This letter requests that the Saad Site Steering Committee provide EPA with copies of all documents and data in the possession of the Steering Committee which support the conclusions of the "Saad Site RA/FI Phase II Report." It is my understanding that the requested documents are referenced in the report.

Thank you for your cooperation in this matter.

Sincerely,
Elizabeth B. Davis
Assistant Regional Counsel

'SX Reports concerning Brown's Creek contamination were hand-delivered to Beth Davis on Wednesday, April 14.
