Madam/Sir:

To whom it may be of concern(s),.. I am writing because, I need Legal assistance, and seek to file a Lawsuit against Department of Correctional Services Medical department for reason(s), as follow(s);.. I have suffered with existing ailments since 9/22/2007, .diagnosis [redacted]

I arrived here at southport Corr. fac. on Jan/1/2012 with both diagnosis; an as too date my health has declined since my initial arrival, and continously worsen,,,,I now use an enhaler due to breathing conflict, and don't have asthma; I now had Obtained [redacted], I did not arrive with all the forementioned additional ailment(s),.. The, "Specialist" at the Gastroenterology Endoscopy Center had recomended that I be provided with Ensure due to above mentioned reason(s), and I am denied to receive such nutrient supplement(s),.. I am not receiving proper care at this facility,.. The doctor "Mr. Canfield" expressed sentiments that I shouldn't be here at this facility, because I need to be in a medical facility that are better equip to adhere to my medical needs,.. this facility requires waste chain enabling all movements and the [redacted] on my stomach is severly pained when chains are applied!,.. I have [redacted],, I was provided with temevar Cream for topical treatment, and such cream has burned my →

skin severly on my arms, . [redacted] I am still medically untreated, and have exhausted all policy procedures as required, including "Inmate Grievance", and nothing has been resolved, I suffer daily I need a lawyer, and also seek for a medical transfer from this facility, .. I thank You for your time and patients!

Sincerely
