Hi Nickie,

I took the package from your chair. Attached are the final versions of the letters to Lincoln Processing and Charles Pufahl. Please make whatever change you want made to your signature and date them tomorrow (7/22). The letters refer to two enclosures, a site description and a site map. Attached is the Site Map. I asked Jen to send you the Site Description. She is at a site visit today. She will do it tomorrow. I will hold off sending the main settlement offer and demand letter until 7/23. I have that package and will get it copied, etc. Rayetta already did the address labels. WE are almost there. Thanks.

Sharon
