TELEPHONE CONVERSATION RECORD

DATE OF CALL: April 9, 1984 TIME OF CALL: 208PM

PERSON ASKED FOR: Pete Culver PERSON CALLING: David Trombold

OFFICE AND/OR PHONE: Reid Supply - Wichita
316-267-1231

SUBJECT: 5 Page field NOV left By Bosky 4/6/84

DISCUSSION:

Mr Trombold asked what his next step should be. I explained that he should respond, in writing, ASAP to all 26 alleged violations. I explained the various enforcement responses we could take (LOW, CO & Referral), and indicated that a complaint and Compliance order with penalties would normally be our response.

I explained that his response to the field NOV would be considered in determining what actions and penalties (if any) would be levied. I suggested that he respond to Mike Sanderson, Wayne Kaiser attention, and send a copy to Tom Gross @ KDHE. He will call Wayne K 16 or 17 April.
