Thank you to those who came into the City on this sweltering day. Attached is the attendance sheet. We ended the meeting without talking about next steps. You have our latest draft documents and you heard our responses today. I urge you to talk amongst yourselves and get back to us with revised drafts by September 2, 2016. Thank you for your consideration. I look forward to continuing our discussions.

I have set up a conference line for those who can't make it in person. I know someone from John's firm will be using it. There are a limited number of lines so please let me know if you will be calling in. Assuming we won't need more than a five lines, the conference line info is:

Call-in 1-844-637-3111
Code – 83183
Access – 123456

For those of you coming to the office, we are meeting on the 17th floor at 1:00 pm so please come directly here. While the weather tomorrow is supposed to be a bit cooler, the city is **HOT**!!! I suggest we all dress comfortably for the weather and not worry about formalities.

See you tomorrow. I look forward to a productive discussion.
