Sharon – NYSDEC said NYSDOH should be sent hard copies and an electronic copy as well. Do you have any objection to this?

Typically NYSDEC handles forwarding this to DOH, but I think he is looking streamline

Hi Jen,

I'm now on the 12th floor. Otherwise, my contact information is correct. In addition to sending me a hard and paper copy of each submittal, they should send an electronic copy to Jacqueline Nealon at NYSDOH.

Sincerely,

Jeff,

Our office of regional counsel and I are finishing up drafting the enforcement agreement for the remedial design of NCHGW OU1 and for the RI/FS of OU3.

In these agreements, we ask that copies of all plans, reports and other submission are submitted as a hard copy and an electronic to EPA and to the State.

Can you please confirm I have the correct mailing address/contact information (directly below) and that 1 hard copy and 1 electronic copy will suffice for the State's review purposes.
