Attached in redline strikeout is feedback from the attorney. I went through and tried to address what I could.

Do you have time tomorrow am to quickly walk through a few of these items? I want to go through the PDI Directive 5 deliverables + some other items to hopefully make the revision process a little easier.

I still need to go through the tables and figures and will get you any comments on those tomorrow.

Jen,

Files are attached for the text, tables and figures plus cost estimate.

I will send the files for the appendices separately.

The PDIWP will need to go thru a final review at SERAS too.

I am going to be on vacation from Friday afternoon March 18 thru Monday, March 21. So I will need comments back by COB on Wednesday, March 16 if that is possible.
