Tim,

You probably saw the clean version I sent to Martin and Carl but here are Sara's second round edits beyond what she sent on 3/7 (you were copied on that one).

Ex. 5 - Deliberative Process

Thanks,

Thanks Scott for sharing the revised version. The attached includes my remaining suggestions.

I'm also going to leave you a vm message about the edits on the last page.

Give me a call if you want to talk about any of these, I'm in the office on Friday.

Sara,

The version I sent earlier today inadvertently had footnote 4 deleted. The attached version has it added back in. Sorry about that.
