Subject: We finished our initial review, but can't contact the nominee directly

OK, we finished our initial review and put all the questions in various parts of his Integrity report. Unfortunately, there's no way we can inform the nominee that we have reviewed his form and that we had additional questions absent any phone or email contact information. As soon as we get that information, we'll contact him. I can get started on the ethics agreement, but obviously can't finalize it until the nominee responds to our questions.

That's correct—do not include Pledge language in EA. I'm still waiting for his contact information, and will send it asap. New administration is requiring resignation from outside fiduciary positions with for profit and nonprofit organizations, but we're still waiting for a determination regarding advisory positions and those as trustee for family trust(s).

Do you have an email address and/or phone number for Scott Pruitt? I presume that the "Obama Ethics Pledge" language will not be included in his ethics agreement. Is that correct?

I thought it would be useful if you saw my comments first. So, I've attached them as a Word File.
