Juan---

Sorry I wasn't available by phone today, I have been tied up in two days of mediation. Here are the dates we can propose for the rescheduled meeting: July 6, 7, 11, 12, 13, 14.

Also, I anticipate that we will be able to provide initial written comments on both the draft AOC and SOW in advance of the meeting, although as set forth in my earlier letter there are some aspects of the SOW where we awaiting information from EPA and we won't be in a position to address those specific points.

Do you have a few minutes to discuss tomorrow?
