Draft RD AOC...August, 2016.pdf

Gentlemen –

Attached please find EPA's 2nd draft of the RD AOC for the lower 8.3. miles of the Lower Passaic River. I look forward to discussing the draft AOC with you early next week. Of course, we also need to discuss financial assurance, and how proceeds from cash-out settlements will be allocated.

By the way, my senior management is anxious to know if a settlement will be reached by the end of this month.
