Subject: Draft Project Management Plan for OU2 of the Lower Passaic

Alice,

I am happy to submit this first planning document for the remedial design of the Lower 8.3 Miles of the Lower Passaic a month ahead of schedule. As noted in discussion and cover, please don't hesitate to contact me with any questions or comments.

We remain on schedule to submit the Remedial Design Work Plan with the Emergency Response Plan as an attachment in January.

Thanks.
Juan
