Nancy—

See our responses in red. We've also pared down the slide deck. It's about 7 substantive pages, but I think we can get through it quickly so that we have plenty of time for discussion.

Rick,

This is a great slide deck and I found it very helpful.

Ex. 5 - Deliberative Process

I think a slide deck like this is great background to send to meeting participants. However if we try to go through it in an hour, we wont have any time for other discussion. Can we pare it down to 5-6 slides to cover at the meeting to help focus the discussion on where we are and where we need to head? What would that look like?

Thanks!

Nancy
