Not sure why that sent...Let's try that again.

Yes, I instructed all the reviewers to add their comments to that document on the SharePoint site by May 11th. That should give us enough time to review. I'll send out a reminder.

Thanks. Also, I didn't realize you were out on leave this entire week. What's the plan for folks providing comments on the NMFS draft BiOp? So far, I've seen comments only from Melissa Panger and I think Kris/Andrew are working on comments re: the salmon model. Comments are due back to NMFS next Friday, 5/19. Do folks know to add their comments to the document Melissa created by say, Monday 5/15, so we have time to review before sending them to NMFS?

Thanks,

Anita

Good morning,

As the 2017 Washington Conference approaches, this is a reminder to please send your presentations for the event to amca@mosquito.org with the subject line "Washington Speaker".

Please let us know of any questions you may have and we look forward to a successful event!

Best regards,

Heather

Good afternoon,

Thank you for your participation in the American Mosquito Control Association's upcoming Washington Conference program. Details for the conference can be found at: http://www.mosquito.org/washington-conference. Registration is free. The last report I received stated we have 105 people registered from 26 states!

The preliminary program is attached and copied below. Please email me if adjustments need to be made to the speakers, titles, or presentation times. Do not hesitate to call if you have any questions.

Presentations can be emailed to ahead of time to amca@mosquito.org with the

subject line of "Washington Speaker".

I look forward to seeing you. Thank you for your continued support of AMCA's legislative and regulatory efforts.

Sincerely,

Angela Beehler
Legislative and Regulatory Chairman
